Dear Colonel Odell:

Attached per your request are two copies of General Cushman's biographic statement.

Thank you for the copy of the revised statement on General Cushman's speech. It is quite satisfactory.

This will also confirm that General Cushman has approved the rescheduling of his speech to 1330 hours on 11 May. He and I plan to fly down in the morning and return to Washington in the afternoon. General Cushman has decided that he will not participate in the seminars following the question period.

Yours very truly,
